# NZ's Best Source of Portable Sound Recording Equipment

## We Represent and Supply:

## Why Us?

### SOUND TECHNIQUES

Was formed around 1990 by two location sound mixers over lunch to supply professional location sound recording equipment primarily to the Film and Television Production Industry.

We sell, rent and provide on-going support for a wide range of Digital recorders, Mixers, Microphones, Radio mics, Shotgun and lapel mics, Headphones and accessories.

### TALK TO US

About your next project or future jobs. With our combined experience and expertise we can advise you on the best products for your sound kit or next project and provide on-going support.

### 'TRY BEFORE YOU BUY'

Our Rentals Catalogue is extensive and always expanding.
