Rentals FAQ

Batteries A full set of new batteries is supplied as part of the rental where necessary and a spare set supplied for sale or return.

Insurance The price includes insurance for loss or damage within New Zealandⁱ. If the equipment is for use overseas insurance is an additional 10%

Pickup & Drop times The rental day runs from midnight to midnight. For practical purposes equipment can be collected after 3:00 pm on the day before rental and must be returned by 10 am the day following. For a one-day rental between Saturday and Monday the equipment should be collected between 3:00 pm and 5:00 pm Friday prior. Late returns will incur an extra day's rental unless arranged prior to the rental.

Courier Options Equipment can be couriered throughout New Zealand. The rental period is calculated from the time the equipment is collected till the time is returned. 1-2 day rentals out of Auckland should be budgeted as a week's rental to allow for the delivery time

Weekly rate is 3 times the daily rate. Long-term package rates available on request. Other equipment available by arrangement.

Please note our hire terms and conditions below as they are applied without exception.

Terms and Conditions

NOTE: Equipment is charged for time out, not time used.

- 1. Customer is responsible for checking suitability of equipment.
- 2. Sound Techniques accepts no responsibility for loss or damage arising from hire.
- 3. Equipment to be insured for loss or damage at replacement value for hire outside New Zealand by hirer.
- 4. For hires within New Zealand insurance for loss or damage is included in the hire charges.
- 5. Excess for any claim for loss or damage under Sound Techniques' cover is \$750.00 excluding GST. Exception: Excess for damage to WM transmitters is \$1,000 excluding GST.
- 6. In the event of loss or damage of equipment the hireage will apply until such loss or damage is made good.
- 7. This agreement is personal to the customer and may not be assigned, transferred or disposed of to any other party.
- 8. Any faults, loss or damage must be reported to Sound Techniques immediately.
- 9. Customer guarantees Sound Techniques access to hired equipment.
- 10. Sound Techniques may terminate the agreement in the event of danger or damage to the equipment, non payment or insolvency of customer.
- 11. Minimum hire is \$55.00 including insurance, GST exclusive.
- 12. Prices may change without notice and are GST exclusive.
- 13. Payment is due when the hire commences. Any additional payment must be made on return of the rental. e.g. for extra days, consumables etc.
- 14. Hire period commences when the equipment is collected or dispatched for delivery and continues until the equipment is returned.
- 15. Claims arising from invoices must be made within 5 working days of invoice.
- 16. All overdue invoices bear interest at 20% per annum (or maximum allowed by law) on unpaid balance. There is also a \$30 returned payment fee for any declined cheques/automatic withdrawals.
- 17. In the event of default of payment when due, all costs of collection, including legal fees and court costs, shall be paid by the customer.
 - Commencement of the hire confirms acceptance of the above terms and conditions.
